**Organizing Committee's Note Regarding Human & Equine Diseases  
- MARCH 1, 2025 -**

Dear Competitors,

Congratulations on your eligibility to compete at the USDF Regional Championships. We are honored to continue serving as hosts for the 2025 GAIG/USDF Region 6 Championships and endeavor to provide you the best competition experience. As we've seen over the past few years, both human and equine diseases are ongoing forces that continue to impact our sport. With that said, we've done our best to disseminate as many of our show's logistical plans as possible so that *you* can continue to make the right decisions for both athletes – human and equine.

This Prize List holds the framework of a competition given "best case" circumstances. It is with almost near certainty that state, local, and/or federal public health policy and/or state agricultural authorities will limit our ability to host this show as this Prize List suggests. You have our commitment as hosts of your Regional Championships, to communicate with you readily and keep you apprised of developments and changes so that you can make the right choice as to whether to compete in this competition or not. Expect changes and revisions to this Prize List as health policy and restrictions evolve.

Please realize that planning a competition of this scale requires nearly a full year of preparation. In fact, bidding to host this event took place well over a year ago. In the face of this 'disease climate', we are doing our best to put your health and safety first – that includes canceling this event if we believe that the potential risk outweighs the reward.

DevonWood Equestrian Centre lies within [Washington County](#). We would encourage you to continue to monitor the County's COVID-19 guidance as well as the Equine Disease Communication Center ([EDCC](#)) so as to stay informed regarding constraints which may impact your visit to the area for this competition.

By entering this competition, you are accepting and agreeing to the terms outlined within this document. In the event that this competition must be canceled relating to widespread disease, we will return as much of your entry fees to you as possible, less our non-recoverable expenses. Understand that we make decisions on hiring additional staff, purchasing additional supplies, and other financial decisions based on the entry volume for the event. If you are concerned for your own health or safety, please refrain from entering this competition until that concern is tolerable for you.

**QUALIFYING YEAR FOR GAIG/USDF CHAMPIONSHIPS CLASSES  
SEPTEMBER 10, 2024 THROUGH SEPTEMBER 8, 2025**

**Every Class offered herein which is covered by the rules and specifications of the current Federation Rule Book will be conducted and judged in accordance therewith.**

2. A horse may not be entered in more than one USEF/USDF Regional Championship at a particular level in the same calendar year.
3. USDF will presume qualified horse/rider combinations will compete in the region in which the rider resides as determined by the address associated with the rider's membership information on file as of July 1. Riders are NOT required to be a resident of the region to compete in that region's championship. Riders who wish to compete at Regional Championships in a region other than their region of residence, must submit a Change of Region Form. This form must be submitted with a \$40 fee prior to July 1. Change of Region Forms may be accepted from July 2 up to August 1, with a

Rev. 2/19/2025

fee of \$100; from August 2, up to the closing date of the championship region the rider is declaring for, with a fee of \$300. **No changes of region may be made after the closing date of the region in which a rider wishes to enter, for any reason.** In addition, all persons living outside of the United States, who intend to compete in a Regional Championship, must submit a Change of Region form and applicable fee to USDF to declare a region.

4. A rider may not compete in more than one Regional Championship competition in the same calendar year.
5. In the event a competitor is unable to produce copies of the USDF membership or lifetime horse registration documents required to enter a qualifying class, a USDF competition affidavit with appropriate fee may be completed and filed with the competition secretary. The affidavit and appropriate fee must be submitted to USDF by the competition secretary. Copies of the required memberships and registrations MUST be included with the championship entry. Affidavits will not be accepted for USEF or USDF membership or horse recording verification purposes for entry in championship classes.
6. Horses must be entered in qualifying and championship classes under their official recorded names and ownership as specified in USEF GR1102.3, and transfers of ownership or lease registrations must be completed in compliance with USEF rules GR1105 and GR1108 prior to the competition in order for the horse to compete under the name of the new owner or lessee. (USEF DR127.2)

### E. CHAMPIONSHIP RULES

1. All Regional Championship competitions are considered Level 4. Please refer to USEF Dressage Level Requirements for specifics.
2. Each entry must designate the division being entered (open, adult amateur or junior/young rider) and must meet minimum percentage requirements for the championship division entered.
3. Cross entering open and junior/young rider divisions or open and adult amateur divisions for a horse/rider combination is permitted at adjacent levels. It is not permitted at the same level. Exception: freestyle or equivalent FEI Junior or FEI Young Rider levels.
4. If a rider intends to enter a Regional Championship as an adult amateur, the rider must be an adult by the current USEF definition (DR 119.3) and a current amateur by the USEF definition. (USEF GR1306, 1307)
5. If a rider intends to enter a championship as a junior/young rider, the rider must be a junior/young rider by the current USEF definition and her/his birth date must be on file with USDF by July 1 of the championship year.
6. Verification of USDF/USEF membership cards and horse recording and registration certificates must accompany championship entry (USDF PM for rider, USDF PM or BM for owner, etc.)
7. Under penalty of elimination, whips may not be carried in championship tests (Exception: Competitors riding sidesaddle may carry a whip no longer than 47.2 inches (120 cm), including lash, in USEF/USDF Championships.) An adjustable-length whip may not be carried by a mounted rider.
8. Under penalty of elimination, all championship tests must be ridden from memory. (USEF DR122.1)

9. The gate at "A" may be left open for every USEF/USDF championship ride. Decisions to either close the gate or leave it open must be consistent for all championship classes. Each Regional Championship competition management must publish in its official prize list if the gate will be closed in championship classes. (USEF DR126.2.f.5)
10. Under penalty of disqualification from all championship classes for the horse/rider combination, within 24 hours prior and at no time during a USEF/USDF Regional Championship competition may any horse entered in that Championship competition be ridden by anyone other than the rider entered in the Championship competition on that horse (exception: grooms riding on loose rein). Further, any horse entered in a championship competition, even entered at two levels, must be ridden by the same rider throughout competition. (USEF DR127.6) (NOTE: This applies throughout the entire competition, even after a horse has completed its championship classes.)
11. In the event of a tie (equality of total points) for champion and/or reserve champion in USEF/USDF championship classes, the collective marks after coefficients have been applied will determine first, second, and/or third or all three places; (i.e. when a tie for first place is broken by collective marks, tied competitors will receive first and second places, etc.). If collective marks are equal, the tie will remain unbroken (i.e. two first places will be awarded next third place, etc.). For ties in freestyle classes refer to USEF DR129.5 which states the highest score shall be declared the winner of the class. In the case of a tie, the higher artistic score shall determine the winner. Should the artistic mark be the same, the higher mark for harmony will decide. If still tied the higher mark for choreography will decide. Ties (equality of total points and total collective marks after coefficients have been applied) after second place will be broken by collective marks. Ties (equality of total points and total collective marks after coefficients have been applied) occurring in third through eighth places will remain unbroken. In the case of a tie (equality of total points and total collective marks after coefficients have been applied) for champion, prize money designated for champion and reserve champion will be combined and divided equally between the two competitors.
12. Hors de Concours entries are not permitted in USEF/USDF championship classes. (USEF DR119.5)
13. In a USEF/USDF championship class, the horse/rider combination must obtain the necessary minimum percentage score to be named champion or reserve champion. (USEF DR123.7) If the highest placed horse/rider combination receives less than the minimum percentage, no championship awards or prize money will be issued, however an awards ceremony will be held for the entire class. In lieu of a champion and/or reserve neck sash, a first and/or second place ribbon will be awarded.
14. In USEF/USDF championship classes, a steward must be appointed to check the saddlery, bits and spurs, on both sides of each horse immediately after it has completed its test and has left the arena. Any discrepancy to the saddlery rules will result in immediate elimination. (USEF DR126.2.i.6)
15. A Registered (R) Dressage Technical Delegate (TD), who is a current Participating Member of USDF, is required to officiate at USEF/USDF championships. TDs for competitions offering qualifying and/or championship classes must investigate incidents of non-compliance and report violations to USEF. "R" Dressage TDs hired to officiate Regional Championship classes must be selected from outside the region. This applies only to the primary competition TD, who is the person responsible for filing the TD report for the competition with USEF. (See section H.3. c, and USEF GR1018.3 and DR127.3)
16. Entries in USEF/USDF dressage championship classes are limited to competitors who have met the qualifications, membership, horse recording and registration requirements, and deadlines outlined in USEF DR127 and published by USDF. Competitors who are properly qualified, whose completed entries are received by the closing date for a particular Regional Championship, and who have complied with all championship rules may not be denied entry into the Regional Championship classes for which they have qualified. Only one class per division and/or level may be held to determine USEF/USDF regional champions. (USEF DR127.7)
17. USEF/USDF championships classes may not be split. (USEF DR126.2a.4)
18. Championship classes for juniors and young riders must only be held on Friday, Saturday, and/or Sunday. Dressage Seat Medal Semi-Finals classes must be held on Saturday or Sunday. Juniors and young riders' entries (horse/rider combinations) are limited to entry in only two championship classes, excluding freestyle.
19. Except for freestyles, the FEI Junior Team Test, and FEI Young Rider Team test, championship classes at consecutive levels, for the same division, may not be held on the same day.
20. Ribbons and prizes can be distributed prior to the arrival at the awards ceremony. Award ceremony attendance is not mandatory. Riders should let show management know if they plan not to attend.
21. All horses competing in Regional Championships classes must be stabled on the competition grounds and must remain on the grounds for the duration of their participation in the event, from the time of arrival until the horse has finished competing in all classes. If the horse has been found to have left the grounds, and returned, it would be eliminated from championship classes, but not in non-championship classes. (USEF DR127.8)
22. For USEF/USDF freestyle championship classes, the competitor must provide the show with music for the freestyle. Acceptable formats/methods must be specified in the prize list. ## US Dressage Finals Eligibility

The US Dressage Finals is an Invitational competition using the USEF/USDF Regional Championship program to qualify. Qualifying takes place at each of the nine Great American/USDF Regional Dressage Championships, based on either 1) Ranking in a Regional Championship Class or 2) Wild Card Eligibility. Either must be achieved at a Regional Championship in a class and eligible division offered at the US Dressage Finals.

### I. Qualification Based on Ranking in a Regional Championship Class:

Champion and Reserve Champion horse/rider combinations for each level and eligible division from each of the nine Regional Championships will be automatically invited, provided the following three requirements are met: US Citizenship; Declaration of Intent completed by the deadline; and earning an eligible ranking in a Regional Championship class.

*Freestyle classes at Regional Championships have two different classes per level, Open/Junior/Young Rider and Adult Amateur. The top two declared horse/rider combinations from the Open/Jr/YR Freestyle class and the top two declared Adult Amateur horse/rider combinations from the AA Freestyle class for each level from each of the nine Regional Championships will be automatically invited.*

*To be eligible for the Adult Amateur division in the Freestyles at the US Dressage Finals, competitors must check the AA box on the Regional Championship entry form and must provide proof of Adult Amateur status prior to competing in their Regional Championship classes.*

- 1) United States Citizenship Requirement: To compete in any US Dressage Finals class, the rider must be a US citizen.
- 2) Declaration Requirement: The horse/rider combination must declare their intention to participate by completing the Declaration of Intent form by midnight on the day prior to the first day of their Regional Championship competition (including any open class day before the start of championship classes). **There is no fee to declare, but horse/rider combinations must declare at the level(s) and eligible division(s) they intend to compete in at the US Dressage Finals. Go to [www.usdressagefinals.com](http://www.usdressagefinals.com) to declare.**
- 3) Ranking in a Regional Championship Class: Eligibility to enter US Dressage Finals classes is based on a horse/rider combination's ranking in a Regional Championship class. Champions and Reserve Champions in eligible classes will be automatically invited, as long as they have declared by the deadline. *Note: In order to be named Champion and Reserve Champion in a Regional Championship class, a horse/rider combination must have achieved a score of 57% or higher.*

In the event that the Champion and/or Reserve Champion declines the invitation, or are ineligible to compete in the US Dressage Finals, the horse/rider combination that has the next highest ranking in the class will be eligible, providing they:

1. Are a US citizen.
2. Completed the Declaration of Intent for that particular level and division by the deadline.
3. Achieved the pre-requisite score of 57% or higher.

If that combination declines, the same process will be followed down through the fifth ranked declared horse/rider combination for that Finals level and division.

No notifications will be issued beyond the fifth ranked, of declared horse/rider combination except as may be eligible through the Wild Card invitations described below.

## II. Qualification Based on Wild Card Eligibility:

Horse/rider combinations who are not otherwise qualified to compete in the US Dressage Finals based on their Regional Championship ranking (see above) may be invited to participate in a Finals class by earning a Wild Card score achieved at one of the nine Regional Championships, provided the following two requirements are met: US Citizenship and earning an eligible Wild Card score in a Regional Championship class.

- 1) United States Citizenship Requirement: To compete in any US Dressage Finals class, the rider must be a US citizen.
- 2) Eligible Wild Card Score: Eligibility to enter US Dressage Finals classes is based on a Wild Card score earned in a Regional Championship class. For all levels and divisions from Training through Grand Prix, a horse/rider combination that competes in a Regional Championship class and achieves a score at or above the score listed below for that level and division may compete in the same level and division at the US Dressage Finals.

*Note: Horse/rider combinations are not required to have filed a "Declaration of Intent" in order to receive a Wild Card invitation.*

- 1) Invitation emails will be sent to the top two of the top five declared horse/rider combinations.
- 2) Invitation emails will be sent to combinations eligible for a Wild Card.
- 3) Notification emails will be sent to the third to fifth declared horse/rider combinations, notifying them that they are on the reserve/alternate list and reminding them to check the website for any status changes that would make them eligible for an invitation.

In the event that an invited horse/rider combination scratches, invitations may be issued up to the start of the competition.

*Note: Competitors do not need to receive an actual invitation to nominate themselves for the US Dressage Finals. The entry system will have their eligibility status and they can nominate prior to receiving an email invitation.*

## IV. Nomination Requirement:

Nomination, including payment of the nomination fee, is required for participation in US Dressage Finals classes, whether qualifying through ranking in a Regional Championship class or by Wild Card Eligibility. The nomination deadline is midnight on Friday after the last championship day in the regional championship show in which the horse/rider combination competed. Each US Dressage Finals horse/rider combination is required to complete the nomination (preliminary entry) process including the horse/rider combinations on the reserve/alternate list. The Nomination fee paid will be applied to the total amount due at Closing Date.

**USDF Membership Benefits:** USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at [www.usdf.org](http://www.usdf.org).

**This  
competition  
is recognized  
by USDF  
for 2026**

**Membership Requirements for USEF-licensed/USDF-recognized Competitions:** Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

**Exceptions:**

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

**Memberships Defined**

**Participating Membership (PM):** A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$100), 5-years (\$400), or life (\$2,000). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21<sup>st</sup> birthday by December 1 of the current membership year (\$80). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

**Group Membership (GM):** A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program.

**Business Membership (BM):** A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$280) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

**Non-Member (NM) Identification Number:** For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$55 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

**Horse Identification (HID) Number:** A one-time tracking number for horses (\$45). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$95. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

**Lifetime Horse Registration (LHR):** A horse with an LHR (\$140) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

Applications for USDF Participating Membership (PM), Business Membership (BM), Horse Identification (HID) number, and Lifetime Horse Registration (LHR) may be found in the following locations:

## ***USDF Statement on Animal Welfare***

The United States Dressage Federation, Inc. (USDF), a federation of individual members and over 100 independent organizations throughout the United States, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.
